**To Parameter Assessment Team Participants:**

CALFED staff thank you for your attendance and participation at the February 25, 1998, Parameter Assessment Team meeting. As always, your volunteer participation and valuable technical input are appreciated. Please find attached a copy of the Meeting Summary for the February 25, 1998, meeting.

**STATUS**

On February 25, the Parameter Assessment Team was provided with a *Draft CALFED Bay-Delta Program Water Quality Parameter Assessment Team Policy* which outlines the PAT's membership, function and structure. CALFED staff welcome your comments and suggestions regarding the Draft PAT Policy.

**MEMBERSHIP**

The Parameter Assessment Team made several recommendations for additional participants on the PAT. Those recommended individuals and organizations will be contacted and invited to participate on the PAT. The PAT will be informed of the status of those contacts at the next meeting.

**PAT MEETING MATERIALS**

Attached are water quality program materials which have been updated based upon Parameter Assessment Team recommendations made on January 28, 1998. These recommendations were presented to and approved by the Water Quality Technical Group on February 25, 1998.

Please contact Judy Heath at (916) 653-2994 or at the address listed above with any questions or comments.
